

# ELITE SERIES®

GARAGE DOOR OPENERS

GARAGE DOOR OPENERS

THIS SLEEK, SPACE-SAVING MODEL MOUNTS ON THE WALL BESIDE THE GARAGE DOOR, FREEING UP CEILING SPACE. This LiftMaster® Elite Series® model comes fully equipped with **Security+ 2.0™**, **MyQ™ Technology** and the **Timer-to-Close** system. It is also available with an optional **Battery Backup** that continues working even when the power is out.

## PERFORMANCE

- DC Motor is powerful, yet ultra-quiet and maintenance free.
- Battery Backup powers up even when the power is out so the garage can be accessed (optional battery 475LM is required).
- Wall Mount Design frees the garage ceiling of hanging operators and rails and opens up the space for additional storage—ideal for cathedral or obstructed ceilings.
- Remote light delivers 200 Watts of light (or CFL equivalent) with adjustable light time delay.
- Soft start/stop ensures smooth operation.
- Lifetime motor warranty.

## SAFETY

- Power Lock Deadbolt ensures the door cannot be forced open.

## INCLUDED ACCESSORIES

**3-Button Elite Remote Control (895MAX).** Program up to three Garage Door Openers, Gate Operators, Commercial Door Operators or MyQ Light Accessories.

**MyQ Control Panel (888LM).** Control LiftMaster Garage Door Openers by a smartphone, tablet or computer (when paired with the Internet Gateway). Equipped with the Timer-to-Close and Motion Detection features.

**Remote Light (380LM).** Garage space is lit up by placing this in any location in the garage within 6 ft. of an outlet. Provides 200 Watts of light with 1/2- to 4-1/2-minute timer.

**Power Lock Deadbolt (041A6102).** Automatically locks door upon closure, ensuring the door cannot be forced open.

## COMPLETE THE PACKAGE

**Internet Gateway (828LM).** For LiftMaster MyQ-Enabled Garage Door Openers, this connects to the home internet router. Open and close the garage door or gate from anywhere, and control home lighting with a smartphone, tablet or computer.

**Battery Backup (475LM).** Powers up even when the power is out, so Customers can get into the garage.
