

THE ENHANCED LIFTMASTER® PREMIUM SERIES GARAGE DOOR OPENER OFFERS SUPERIOR LIFTING POWER. Comes with two Remotes and a Wireless Keyless Entry for added home access.

PERFORMANCE

- 1/2 HP motor with industrial-strength chain drive provides steady performance and lifting power.
- 200-Watt lighting (or CFL equivalent) with adjustable light time delay for more energy-efficient use.

SAFETY

- Alert-2-Close warning system provides audible and visual warnings when the garage door is about to close while using LiftMaster MyQ® Technology or Timer-to-Close.
- Your Customer will receive an alert from the Maintenance Alert System when their opener is due for service. (Must be activated by a LiftMaster Dealer.)

INCLUDED ACCESSORIES

3-Button Standard Remote Control (893LM). Program up to three Garage Door Openers, Gate Operators, Commercial Door Operators or MyQ Light Accessories. With Security+ 2.0, users are assured of a new code with every use. Comes standard with two remotes.

Multi-Function Control Panel (882LM). Program transmitters, keypads and MyQ Light Accessories from the control panel. Includes display lights, Garage Door Opener light control, lockout transmitters and keypad for added security.

Wireless Keyless Entry (877LM). Open or close the garage door instantly without a remote using one-press activation. Holds four unique PINs, and users can control up to four Garage Door Openers. Temporary codes can be created for friends and service people.

COMPLETE THE PACKAGE

3-Button Mini Remote Control (890MAX). Program up to three Garage Door Openers, Gate Operators, Commercial Door Operators or MyQ Light Accessories.

Door and Gate Monitor (829LM). Monitor and close up to four garage doors or gates from any room inside the house.

Internet Gateway (828LM). For LiftMaster MyQ-Enabled Garage Door Openers, this connects to the home Internet router. Open and close the garage door or gate from anywhere, and control home lighting with a smartphone, tablet or computer.
